Confined Home Five Years.

I am well pleased with the Egyptian Regulator Tea. It takes well in this county. I have disposed of the dozen packages you sent me, and I have not left home to do it. Enclosed find \$5.00 for which you will send me another outfit like the first you sent, as I intend to take five shares as you propose in your circular. I have been so afflicted with Constipation and Rheumatism that I have been confined home for five years. It is by taking your Tea that I have improved so much. I have so many acquaintances in this county that I can make good sales of the Tea.

Wants More of It At Once.

I will write to you as I want more of the Egyptian Regulator Tea as soon as possible. I have sold all but one package of the Tea and that I kept myself. I tell you this Egyptian Tea has done wonders for me, and all that have used it so far say it has done them good. One lady has taken the second package, and there are several waiting now for some. I think I will find good sale for the Tea here, but will not order but one dozen now.

Mrs. S. TEETER, Clinton, Wis.

Great Praise.

I have disposed of the trial packages you sent me among my friends, and I have sold enough of the Tea to get my investment back. All who read the circulars say it is the best remedy they ever heard of. Mr. Jacob West, of Georgia, says he has purchased two packages of the Tea, and can recommend it highly. It has done me more good than any remedy I have ever used.

MELISSA SHELTON, Friendship, Ga.

The Same Old Story.

I have sold all the packages of Tea but one. It takes very well, and I am satisfied it will do all you claim. One man is taking it for Dyspepsia, and he thinks there is nothing to be compared to the Tea for that complaint; and so we all think. I am taking it, and can speak from experience.

Truly yours, ROBERT M. COLE, Jamesburg, N. J.

Your favor and packages of Tea is at hand. We have tried the Tea two nights, and it gives good satisfaction. It has done something which other strong remedies failed to do. I enclose \$4.00 for more of the Tea. Wishing you every success, I am
